

Pre-Upload Checklist (print this)

One page. Every box, every video. If a box fails, the video goes back - it does not go up.

QA GATE

- ☐ Clean render: no glitches, artifacts, format breaks
- ☐ Script match: video = script, line for line
- ☐ Character lock: on-model every frame (face, hair, tattoos, outfit)
- ☐ One emotion, nameable in 3 words
- ☐ Captions: big, high on screen, spelled right, in sync
- ☐ Gag lands muted (sound-off test)
- ☐ Audio: stereo, in sync, no clipping
- ☐ Lip-sync pass done on every dialogue close-up
- ☐ Correct metadata: title, description, audience, playlist

VIRAL CHECKS

- ☐ Hook in frame 1: strongest moment, already moving - no logo/intro/walk-in
- ☐ Premise text · 7 words, first ~3s only, then clean
- ☐ Correct lane: A = 13-20s seamless loop · B = 40-58s + secret-reveal ending
- ☐ NOT in the 25-35s dead zone
- ☐ Series number in the title (HEIST #_)
- ☐ Thumbnail: face in frame + · 3 words
- ☐ Duo readable at thumbnail size in 1 second
- ☐ Picture changes every ~2-3s; no static cards
- ☐ Clean master: NO platform watermark (same file to every platform)
- ☐ Pinned comment ready: link to Episode 1 / series playlist

AFTER POSTING

- ☐ Log it: video bank (file, title, URL) + results tracker
- ☐ 48h check: viewed-vs-swiped, avg % viewed, shares, follows
- ☐ Verdict after ~4 samples of the format - never after 1 video
